February 2011

FEBRUARY MEETING

Tuesday, Feb 15th, 7:00pm
Presbyterian Church of Manchester
394 Lydall Street, Manchester

**Topic: “Exposure without Influence –
teaching our children wisdom
in this crazy society”**

**This topic was scheduled for January, but
was not discussed due to scheduling con-
flicts and a weather induced low turn out.**

NTCH Science Fair!!

Start thinking about your ideas for
your science fair project!
Stay tuned for details!
Month to be determined.

Homeschool Day at Old Sturbridge Village

On this Home School Day, “Come in From the Cold”, learn about how people in the early 19th century filled their time during the cold winter months. New England communities slowed down allowing families and friends time to socialize. Some of their favorite activities were ice skating, sledding, storytelling and dancing. Take part in some of these activities and learn about the history of Valentines and watch chocolate being made by hand the old fashioned way.

Click [here](#) for more information.

Maple Sugaring at Northwest Park!

Learn about the history of maple sugaring through hands-on activities. Discover the process it takes to turn tree sap into delicious maple syrup. This program includes tree identification, a tree tapping demonstration, sap collection and sap tasting. Experience the sights, smells and sounds of Northwest Park's Sugarhouse during seasonal operation.

When: Thursday, March 10th, 2-3 p.m.

Where: **Northwest Park**, 145 Lang Road, Windsor, CT

Cost: \$3.50 or \$4 per person (depends on how many sign up)

RSVP to Karen Cupit- space is limited!
